Self Help Movement is proud to invite you to our Annual Reception, an evening dedicated to celebrating recovery, resilience, and the individuals who inspire hope throughout our community.

This year, we are honored to recognize two extraordinary individuals whose personal journeys and unwavering commitment to helping others embody the mission of Self Help Movement: Representative Madeline Dean and World Series Champion Dickie Noles.

Through their leadership, advocacy, and service, they have helped countless individuals overcome addiction and build healthier, more hopeful futures. We are deeply grateful for their dedication and proud to celebrate their achievements.

For more than 60 years, Self Help Movement has provided life-changing treatment and recovery services to individuals struggling with substance use disorders. As a 501(c)(3) nonprofit organization, we remain committed to ensuring that every person seeking recovery has access to compassionate, effective care and support.

We invite you to join us as a sponsor of this meaningful event. Your support directly strengthens our ability to provide treatment, recovery services, and hope to those who need it most. Enclosed you will find our Sponsorship Opportunities and information for your consideration.

Your generosity makes a lasting difference in the lives of individuals and families impacted by addiction. We sincerely appreciate your consideration and hope we can count on your support. Should you have any questions or wish to discuss sponsorship opportunities, please feel free to contact me at (215) 677-6641 or (215) 808-4240.
